Date November 24, 2026

Edition 2010

Section 1015.1

Question:

Is it the intent of 1015.1 to allow an existing R2 occupancy to delete one of two entry-exit doors if (1) the occupant load is less than listed in table 1015.1 and (2) if the travel distance does not exceed 1014.3, exception #4?.

Notice:
The Building Officials Association of Florida, in cooperation with the Florida Building Commission, the Florida Department of Business & Professional Regulation, ICC, and industry and professional experts offer this interpretation of the Florida Building Code in the interest of consistency in their application statewide. This interpretation is informal, non-binding and subject to acceptance and approval by the local building official.
