Section 316.5.3

Question:

Is it the intent of 316.5.3 of the 2010 Florida Residential Code to allow the ignition barrier only in the area of the equipment?

Notice:
The Building Officials Association of Florida, in cooperation with the Florida Building Commission, the Florida Department of Business & Professional Regulation, ICC, and industry and professional experts offer this interpretation of the Florida Building Code in the interest of consistency in their application statewide. This interpretation is informal, non-binding and subject to acceptance and approval by the local building official.
