Section 107 Air Conditioning 2.8

Question:

Our building received a violation for something related to the elevator, but I cannot find the section of the rules that apply. Can you help me? Since there is a relatively short time for correction of the problem, may I also ask that you expedite your reply? The notice reads: Violation 107 Air Conditioning 2.8.5 A17.1 Thank you in advance for your help with this matter. Sincerely, Ira Somerset
