

**Informal Interpretation Report  
Number 6619**

**Date** September 22, 2026

**Edition** 2007

**Section** 105

**Question:**

Is it the intent of 489.103 to require utility employess to be regulated by the Florida Building Codes when working within their property performing upgrades to existing equipment or installing new equipment.

---

**Notice:**

The Building Officials Association of Florida, in cooperation with the Florida Building Commission, the Florida Department of Business & Professional Regulation, ICC, and industry and professional experts offer this interpretation of the Florida Building Code in the interest of consistency in their application statewide. This interpretation is informal, non-binding and subject to acceptance and approval by the local building official.
