

**Informal Interpretation Report
Number 6685**

Date June 11, 2014

Edition 2007

Section 3006.4

Question:

Is it the intent of the referenced Code to require the roof (single story room with 2 exterior walls) and exterior walls of an elevator machine room to be rated regardless of Sections 706 and 711.

Answer

This request has expired and needs to be resubmitted for action.

Commentary:

None

Notice:

The Building Officials Association of Florida, in cooperation with the Florida Building Commission, the Florida Department of Business & Professional Regulation, ICC, and industry and professional experts offer this interpretation of the Florida Building Code in the interest of consistency in their application statewide. This interpretation is informal, non-binding and subject to acceptance and approval by the local building official.
