Section 101.2

Question:

Is it the intent of section 101.2 of the 2007 Florida Building Code: Existing Building to "apply to the repair, alteration, change of occupancy, addition and relocation of existing..." manufactured and/or mobile homes?

Answer

Yes. Repairs and alterations of manufactured homes must be re-certified by the manufacturer or otherwise comply with the Florida Building Code. Change of occupancy, addition and relocation must comply with the Florida Building Code.

Commentary:

None.

Notice:
The Building Officials Association of Florida, in cooperation with the Florida Building Commission, the Florida Department of Business & Professional Regulation, ICC, and industry and professional experts offer this interpretation of the Florida Building Code in the interest of consistency in their application statewide. This interpretation is informal, non-binding and subject to acceptance and approval by the local building official.
