

**Informal Interpretation Report
Number 6894**

Date January 24, 2012

Edition 2007

Section 403.1

Question:

Is it the intent of section 403.1 to use table 403.1 to determine the type of occupancy without using chapter 303 of the Florida Building Code, Building?

Answer

No. The last sentence of Section 403.1 of the Florida Building Code - Plumbing states, "Occupancy classification shall be determined in accordance with the Florida Building Code - Building."

Commentary:

None.

Notice:

The Building Officials Association of Florida, in cooperation with the Florida Building Commission, the Florida Department of Business & Professional Regulation, ICC, and industry and professional experts offer this interpretation of the Florida Building Code in the interest of consistency in their application statewide. This interpretation is informal, non-binding and subject to acceptance and approval by the local building official.
