

**Informal Interpretation Report
Number 7071**

Date September 27, 2012

Edition 2010

Section 101.2

Question:

Is it the intent of section 101.2 to require that a permit be issued and inspections performed on every type of structure regardless of use and occupancy or location.

Answer

There is an exemption for hunting and fishing camps of less than 1000 sq ft at Section 101.4.8.2 in the Energy Conservation Code - However, shooting houses (range?), huts or storage buildings do not fall into that category.

Commentary:

None.

Notice:

The Building Officials Association of Florida, in cooperation with the Florida Building Commission, the Florida Department of Business & Professional Regulation, ICC, and industry and professional experts offer this interpretation of the Florida Building Code in the interest of consistency in their application statewide. This interpretation is informal, non-binding and subject to acceptance and approval by the local building official.
