

**Informal Interpretation Report
Number 7162**

Date May 09, 2013

Edition 2010

Section 105.1

Question:

Is it the intent of Section 105.1 to require a separate permit for each structure. Can multiple structures on 1 lot be applied for under 1 permit or is a separate permit required for each structure.

Answer

105.1 does not contain the requirements for the number of permits required for individual projects. That requirement is up to the AHJ.

Commentary:

None.

Notice:

The Building Officials Association of Florida, in cooperation with the Florida Building Commission, the Florida Department of Business & Professional Regulation, ICC, and industry and professional experts offer this interpretation of the Florida Building Code in the interest of consistency in their application statewide. This interpretation is informal, non-binding and subject to acceptance and approval by the local building official.
