

**Informal Interpretation Report
Number 7703**

Date September 22, 2026

Edition 2014

Section 107 Air Conditioning 2.8

Question:

Our building received a violation for something related to the elevator, but I cannot find the section of the rules that apply. Can you help me? Since there is a relatively short time for correction of the problem, may I also ask that you expedite your reply? The notice reads: Violation 107 Air Conditioning 2.8.5 A17.1 Thank you in advance for your help with this matter. Sincerely, Ira Somerset

Notice:

The Building Officials Association of Florida, in cooperation with the Florida Building Commission, the Florida Department of Business & Professional Regulation, ICC, and industry and professional experts offer this interpretation of the Florida Building Code in the interest of consistency in their application statewide. This interpretation is informal, non-binding and subject to acceptance and approval by the local building official.
