

**Informal Interpretation Report
Number 8012**

Date November 01, 2017

Edition 2014

Section 101.4

Question:

Do any of the provisions of the Florida Building Code apply to the maintenance or repair of mobile homes?

Answer

Maybe. the manufactured home is built and covered by HUD standards as shown on the display label attached to the home. Other items, outside utilities and extensions or expansions most likely fall under the Florida Building Code

Commentary:

None

Notice:

The Building Officials Association of Florida, in cooperation with the Florida Building Commission, the Florida Department of Business & Professional Regulation, ICC, and industry and professional experts offer this interpretation of the Florida Building Code in the interest of consistency in their application statewide. This interpretation is informal, non-binding and subject to acceptance and approval by the local building official.
