

**Informal Interpretation Report
Number 8030**

Date November 22, 2017

Edition 2014

Section FBC 107.4

Question:

Is it acceptable for changes made during construction that are not in compliance with the approved construction documents to NOT be resubmitted for approval as an amended set of construction documents.

Answer

No

Commentary:

Changes made during construction require the submission of amended construction documents for approval as stated in this section.

Notice:

The Building Officials Association of Florida, in cooperation with the Florida Building Commission, the Florida Department of Business & Professional Regulation, ICC, and industry and professional experts offer this interpretation of the Florida Building Code in the interest of consistency in their application statewide. This interpretation is informal, non-binding and subject to acceptance and approval by the local building official.
