Informal Interpretation Report
Number 8491

Date November 24, 2026

Edition 2021

Section 406.2

Question:

Is the intent of the Plumbing code to require the fixture branch and stack for a washing machine to be no less than 3" in a single family home?

Notice:
The Building Officials Association of Florida, in cooperation with the Florida Building Commission, the Florida Department of Business & Professional Regulation, ICC, and industry and professional experts offer this interpretation of the Florida Building Code in the interest of consistency in their application statewide. This interpretation is informal, non-binding and subject to acceptance and approval by the local building official.
