

**Informal Interpretation Report
Number 8599**

Date January 11, 2022

Edition 2021

Section 454.1.2.3.5

Question:

Why is commercially bottled water the only acceptable water containing vessel within the wet deck?

Answer

The code states - No food or beverages in the pool or on pool wet deck. Commercially bottled water in plastic bottles is allowed on the pool wet deck for pool patron hydration. The issue is no glass.

Commentary:

This is a Florida specific code section and may be a good section for a proposed code change

Notice:

The Building Officials Association of Florida, in cooperation with the Florida Building Commission, the Florida Department of Business & Professional Regulation, ICC, and industry and professional experts offer this interpretation of the Florida Building Code in the interest of consistency in their application statewide. This interpretation is informal, non-binding and subject to acceptance and approval by the local building official.
