

**Informal Interpretation Report
Number 8984**

Date June 06, 2026

Edition 2023

Section P2903.1 Table P2903.1

Question:

Does the code require tankless water heaters to satisfy the flowrate requirements of Table P2903.1

Notice:

The Building Officials Association of Florida, in cooperation with the Florida Building Commission, the Florida Department of Business & Professional Regulation, ICC, and industry and professional experts offer this interpretation of the Florida Building Code in the interest of consistency in their application statewide. This interpretation is informal, non-binding and subject to acceptance and approval by the local building official.
